

BALOV LED

Product Characteristics

Beskrivning

Body:

Chrome plated metal sheet

LED:

Mid Power LED

3...warm white 3000K

4...cold white 4000K

Wiring:

LED driver (constant current)

ND – not dimmable (standard)

DALI – digital dimmable DALI

Suspension:

L - Self-supporting transparent 2m cable

Main features

Lamp type: LED

Rated life time L80/B50 (h): 80000

Color temperature (K): 3000, 4000

Color rendering index CRI: 80-89

Type of dimming: DALI, Not dimmable

Optical system: TRIPLEX - opal glass cover

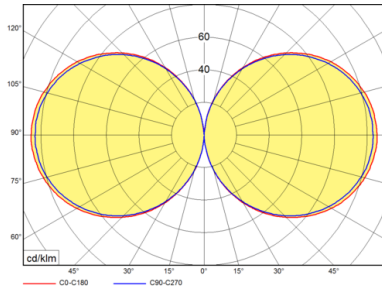

Protection class: I

Degree of protection (IP): IP20

Nominal voltage (V): 220...240

Mounting method: Pendant
Body material: Chromed ceiling base
